Nokia 8290 Front Cover Replacement

Use this guide to repair or replace your Nokia 8290's front cover.

Written By: Austin Culberson

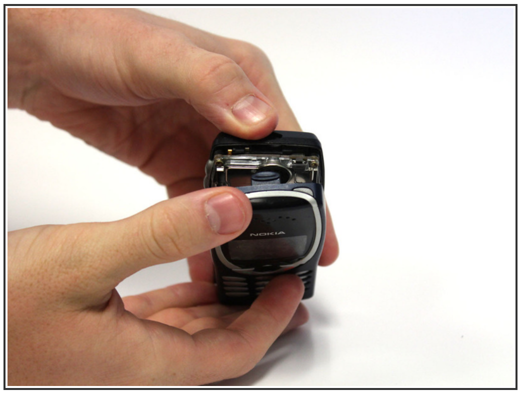

INTRODUCTION

The front cover protects all the key components and electronics inside the phone. Removing the front cover is easy and it is the first step in replacing almost any part of the phone.

Step 1 — Front Cover

- Locate the small button on the top of the phone.
- Depress the button.
- With your other hand, pull the front cover away from the phone.

To reassemble your device, follow these instructions in reverse order.
